

ABOUT US

Pithoragarh group of Institutions PGI the best and top college of Pithoragarh, is one of the emerging group of colleges in India located in the beautiful valley of Pithoragarh. It is the only private college in Kumaon, Uttarakhand. PGI is a group of three colleges Pithoragarh College of Nursing, Pithoragarh Institute of Biomedical Sciences & Pithoragarh Institute of Technology & Management. The foundation stone of PGI, the top college in Uttarakhand was laid in 2016 by two young entrepreneurs of Uttarakhand Mr. Jitendra Haneri & Mr. Dharmendra Haneri under the guidance of their father Mr. NL Haneri to provide quality and affordable higher education in the field of Nursing, Paramedical, Hospitality, Management, Agriculture, Horticulture, Management and IT sectors. PGI Pithoragarh is Affiliated to H.N.B Medical education University Dehradun, S.S.J University Almora and Accredited by Uttarakhand Nursing & Midwives Council, Uttarakhand State Medical faculty and Uttarakhand Paramedical Of Council and also Approved from the state government of Uttarakhand.

MISSION

We are committed to providing students with a high-quality learning, training, and research environment, cultivating not only technological and innovative prowess but also entrepreneurial capabilities. Our focus extends beyond traditional education, aiming to prepare students to be world-class job-ready professionals and leaders of the future. We empower them to level up their livelihoods while making a positive impact on the well-being of society. Through continuous development, we aspire to shape students into dynamic individuals who not only excel in their careers but also contribute significantly to the betterment of their communities and society at large.

VISION

PGI Pithoragarh - Fostering Wisdom, Ethics, and Innovation in a World-Class Learning Environment. PGI Pithoragarh is committed to shaping students into industry-ready professionals, equipping them not only to navigate professional challenges but also to pioneer advancements in their fields, all while upholding values of wisdom, ethics, and innovation.
